CASTLES BROTHERS SCHOLARSHIP FUND  
WILL AID UM FORESTRY STUDENTS

MISSOULA--

James B. Castles, vice president and general counsel, Tektronix, Inc., Beaverton, Ore., has made an initial donation of \$11,000 to establish the Castles Brothers Scholarship Fund in the University of Montana Foundation.

The purpose of the fund is to promote excellence in natural resource management by encouraging scholastic achievement in the field of forestry. Income from the fund will be used to provide four-year scholarships for forestry students specializing in resource management. The first award will be made for the 1980-81 academic year.

The fund honors the donor's brothers, John, Wesley, and Thomas. All attended the University of Montana.

The Castles' family roots are in Superior, where Thomas runs Castles<sup>®</sup> Empire Foods. Wesley, a graduate of the UM law school and a former associate justice of the Montana Supreme Court, lives in Helena and operates a mining company. John, deceased, took a B.S. in forestry at the UM and went on to earn an advanced degree in forestry at the University of California, Berkeley.

James B. Castles, a 1938 graduate of the UM School of Law, is a life member of the UM Alumni Association and a former trustee of the UM Foundation. The foundation was created in 1950 to raise funds from private individuals and groups to support University programs.

UM President Richard C. Bowers noted that Castles is a strong supporter of the University. "His latest gift, for the benefit of our forestry students, gives us one more reason to be profoundly grateful to James Castles for his loyalty and concern."
